

Three Mile Pond Association

February 15, 2009

Meeting was held at the Gunning's. There were five present.

The Secretary's and treasurer's reports were read and approved.

Jim Hart is the new CRLA president. Rick Hayden is on the CRLA Board. CRLA plans to hire a teacher to work with CRLA and the YCC this summer. CRLA has five projects in Vassalboro. The 319 Grant was discussed-money may be available through this grant.

Ken and Tom will be heading the Spring run off survey-checking inlets and streams to see what is coming into Three Mile Pond during the Spring run offs.

CRLA said if we come up with projects they will help us with funding.

The importance of having a contact on each camp road was discussed – George will work on this project and try to recruit a road captains.

Tony Pillage has been appointed Road Captain for Fire Road 75.

The Annual meeting was discussed, we would like to have it a little later in June, and so that more camp owners could be present- we again plan to have a bar-be-cue at the meeting. Also we would like to have a get together of the association near the end of the summer.

Tony Pileggi will work on a spring newsletter...please send him any suggestions that you may have for this letter.

We will change our Post Office Box from the Augusta Post Office to China. We will let everyone know when this is done.

Donna Gunning
